**\$25**

# CAR MAGNETS

With more and more people staying at home, critical in-home services are going to be busy. If you are a business that's still on the road visiting customers, let us help you increase brand awareness with the use of car magnets!

**Starting from**  
**\$39**

Corflutes are another great way to create brand awareness and are an extremely cost effective signage option for small businesses. Whether it's advertising your delivery area or promoting your In-Home service, corflutes are a great way to get exposure!

**Starting from  
\$18**

## FLOOR GRAPHICS

## CORFLUTES

Floor graphics are the perfect way to grab attention and get a point across. At the moment, they're most commonly used as social distancing markers, to help your clientele stand an appropriate distance away from each other. We have all seen the markers in our local grocery store, but they are becoming increasingly popular for petrol stations, medical supply stores and the hospitality industry still operating through take away.

**Starting from  
\$95**

# FLYERS

With the majority of Australians working from home, now is the perfect time to take advantage of Direct Mail and its high open rate. If you are a local businesses, now is the perfect time to utilise flyers to help advertise your still open, along with your operating hours and any changes to regular business.
